\$250.00 - \$300.00 - Will provide Emergency motel/kitchenette stays for one week to a *Friend In Need* when we feel they are in danger health wise or physically and need an emergency break from the streets until we can obtain housing for them.

\$250.00 - Fuel for our current Mobile Crisis Unit van for one week.

\$1000.00 - Will Help Us on our way to obtaining our **New Mobile Crisis/Office RV Unit** -Designed to our specifications with 1 shower, 1 toilets, 1 stackable washer/dryers, handicapped lift, handicapped accessible shower, office capabilities, 1 bed and a small kitchen area. This would enable **STA** to have a Mobile Crisis Unit/Office where we can interview our *Friends In Need* where ever they are, allow them to take a shower, launder their clothes and give them a meal all at one time at any hour of the day or night. The perfect fit. Our current goal is \$30,000.00 plus operating expenses for an upgraded unit.

\$1000.00 - Will supply **STA** with a Scooter for our qualified *Friends In Need*, for jobs, job interviews, Doctors appointments and the like.

\$1000.00 - Will help cover **Wages** for **both (not each)** Lance Greene & Patricia Mishler for one week, up to approx 175 hours between both Lance & Pat. Not excessive as you can see. We currently do not take a wage, so please specify what your Donation is for.

\$3000.00 - Will provide **STA** basic operating expenses for one month.

\$4000.00 - Will provide Creatively Attained Housing for a *Friend In Need*. This covers 1st Months rent and Rental deposits, Utility deposits, groceries for 3 months, furniture, dishes, towels, sheets etc, everything needed to set up their apartment for living in. We believe in setting them up to succeed, not to fail. This is for our *Friends In Need* who are receiving SSI assistance, employed etc and are able to pay their private residence rent with guidance from us.

*****Please keep in mind. While there are times when we do give some of the above supplies to a Homeless person as a handout, we do so only on a limited basis. If we are able to help them, that is when they get our full services. We at STA do not believe that typically giving a handout and walking away helps someone get off the street. However, there are times when it is best to do just that and we must make a judgement call.**

Please do not ever forget - You or I could be homeless or a *Friend In Need* at any moment - no matter what our wealth is - how would YOU want to be treated?

PLEASE return to our website to DONATE TODAY!

Thank You!
